Benefiting Arizona's Children Association programs and services in Yuma

WHEN: Saturday, May 7, 2011

WHERE: Yuma Golf and Country Club

WHY: The annual John Boemer Golf Tournament raises funds to benefit children and families in the Yuma area. John Boemer of Sun Valley Beverage Company has served as chairman of the tournament since he founded it in 1998. Over the past 13 years, the tournament has raised over \$340,000 to benefit Arizona's Children Association programs and services in the Yuma area.

Arizona's Children Association was originally founded in 1912, as Arizona Children's Home Association, to care for homeless, neglected and dependent children. For nearly 100 years the agency has stayed true to its mission of Protecting Children and Preserving Families, serving more than 45,000 children and their families in all 15 counties in the state each year. We are presently one of the oldest and largest statewide child welfare and behavioral health nonprofit agencies in Arizona. Please visit the Arizona's Children website at www.arizonaschildren.org.
