Dance Challenge & Brunch Benefiting Arizona's Children Association

Sponsorship Opportunities

We need your support! Today, there are nearly 15,000 children living in out-of-home care in Arizona. We must give these kids the care they need by providing safe home environments, but we also have to address the family issues that create these situations of abuse and neglect. Our evidence-based parenting and support programs help ensure that families receive the comprehensive services that will help them avoid the circumstances that could lead to a child's removal from the home.

Arizona's Children Association is the BEST resource for helping children and families in Arizona. For more than 105 years, our programs have been family focused and outcome driven - however, state and federal funding to cover the prevention services needed to keep these kids safe and in their biological homes is lacking. We're ready to change that. It's time to keep ALL Arizona children in safe and stable households, fill the needs not covered by state funding, and educate our community about the real issues facing Arizona children in need - and we need your support.

On **Saturday, December 1, 2018**, community leaders from all over the valley will perform with a professional dancer at a brunch event to raise funds for this important cause. All proceeds raised will go directly to **Arizona's Children Association's "Strengthening Families Fund."**
