

GIVE THE GIFT OF *Hope*

Because of the generosity of hundreds of volunteers and sponsors over the years, Arizona's Children Association has been able to help make the holidays a little brighter for thousands of children and families through our "Gifts of Hope" campaign. Corporations, small businesses, churches, community groups, schools, individuals and families have been our very special partners in this heartwarming service to the community.

**No matter who you are or how much you can help,
there are many ways YOU can make an impact through our
"Gifts of Hope" Holiday Campaign:**

- ❄ Sponsor a single child or sibling group. We'll match you with a family in your area!
- ❄ Coordinate a gift drive at your workplace, club, or neighborhood and we'll match kids with the gifts.
- ❄ Shop our Amazon Wish List, donate a gift card, or make a financial gift online and we'll do the shopping for you!

Get involved!

GIVE THE GIFT OF *hope*

Holiday Toy Drive

For most children the holidays mean enjoying the traditions of the season: family festivities, feasts, adornments and finally getting to open beautifully wrapped presents. The truth is, this is merely a dream for many Arizona children who are living in foster care or for families facing financial difficulties.

Help us change that!

Consider donating "Gifts of Hope" this holiday season and put a smile on a child's face. Donate new toys/gifts or gift cards for children from birth to age 18.
